## **SIDE SEWER CONTRACTOR ROSTER**

The Side Sewer Roster was established and is maintained by the Development Services Center, Public Works. It is a list of side sewer contractors who have met the eligibility requirements and are authorized to perform side sewer work within the City of Redmond.

Eligibility requirements are as follows:

### **City of Redmond Business License**

- A copy of the Washington State Contractor's license
- A \$500,000 liability insurance certificate, City of Redmond listed as additional insured and an original on file
- A \$5,000 bond approved by the City

In addition the applicant must make application with the Development Services Center and pay the application fee or annual renewal fee, prior to consideration.

Once approved, the applicant is placed on the active Side Sewer Contractor Roster. Inclusion on the Roster is good for the year, expiring the last day in January. Renewals are processed at the beginning of each year. Renewal fees are collected at that time, as well as a review of the current status of your eligibility requirements.

## **Permitting**

Any side sewer work performed within the City of Redmond must be done with a permit. Permits are processed and sold by the Development Services Center by Public Works. Information on costs can be obtained by calling (425) 556-2840.

## **Violations**

It is a violation of Redmond Municipal Code for any individual to make any connection to any public sewer, to construct, alter, or repair any private sewer unless that individual is an approved contractor on the Side Sewer Contractor Roster.

A contractor may be removed from the Side Sewer Contractor Roster for any of the following causes: failure to observe the laws and regulations of the City; failure to pay for labor or material used in the construction of a side sewer; fraud or misrepresentation to the owner, agent or occupant of a building for the purpose of obtaining a contract for the construction of a side sewer; or for nonpayment for work performed by the City of which a side sewer contractor may be liable.
